Find What YOU Need at Thomco

If you are like many of Thomco's customers, your application is unique in some way, such as:

- **Your internal manufacturing or assembly requirements**
- **Environmental conditions affecting either performance or assembly**
- **Quality considerations**
- **Ease of application**
- **Product availability, price stability, or other supply chain considerations**
- **Substrate specs and/or characteristics**

Where Do You Start to Find Your Solution?

There are thousands of products available. You can spend hours researching solutions or you could call Thomco.

Our experts have years of experience in helping customers like you find the right solution.

We ask questions, do research, provide samples and assist with testing. And we work with a wide range of suppliers in the USA and globally.

Thomco is a 3M Authorized Distributor for Industrial Products, opening the door to 3M experts in over 20 product categories, too.

Industrial Adhesives

Industrial adhesives join components together in assembly applications. Common products include acrylic, epoxy, hot melt, polyurethane, silicone, thermoset, and UV curing adhesives, as well as industrial sealants.

Adhesive Solutions Include:

- **Aerosol products**
- **Gasketing, sealing and silicones**
- **General industrial**
- **Hot melt adhesives**
- **Structural adhesives**
- **Threadlocking, sealing and retaining**
- **Dispensing equipment and applicators**

Double Stick Tapes

Double stick tapes provide immediate handling strength with no cure time, allowing assembled parts to move immediately to the next phase of production.

Double Stick Tape Solutions Include:

- **Adhesive transfer tapes**
- **ATG tapes**
- **Double coated film tapes**
- **Double coated paper tapes**
- **Double coated foam tapes**
- **3M™ VHB™ tapes**
- **Extended liner tapes**
- **Dispensers and applicators**

Single Stick Tapes

Single stick tapes are pressure sensitive tapes with adhesive on one side. The bond forms when pressure is applied to the back side pushing the adhesive onto the substrate. Many single stick tapes are made for a specific substrate and purpose.

Single Stick Tape Solutions Include:

- **Aluminum foil tapes**
- **Duct tapes**
- **Electrical tapes**
- **Polyester tapes**
- **Protective tapes**

- **Dispensers and applicators**
- **Single coated foam tapes**
- **Specialty single stick tapes**
- **Teflon™ and UHMW tapes**
- **Vinyl and film tapes**

Converting Options for Manufacturing & Assembly

Thomco can slit, die-cut, and tab tapes so you can maximize efficiencies when manufacturing or assembling products.

Tape products can be delivered in rolls or in pieces.

We can also bring in our experts to work with your team on improving manufacturing processes for bonding and assembly using tape and adhesive products.

Graphics & Signage

No matter what you're covering, Thomco has you covered. Our graphic and signage solutions include:

- **Printable films**
- **Colored films**
- **Floor graphics**
- **Illuminated sign films**
- **Wrap films**
- **Reflective films**
- **Special effect films**
- **Application tapes**
- **Overlaminates**
- **Tools and accessories**
